

# COMMON CHALLENGES CHURCHES FACE

- Announcements are overwhelming or quickly forgotten
- Visitors don't know where to go or how to get information
- Information is scattered across bulletins, slides, and verbal announcements
- Church leaders spend too much time updating and repeating the same details

*Good communication should serve people — not create extra work.*

# CHURCH INFORMATION MADE SIMPLE

*Clear announcements.  
Easy access to information.  
A welcoming first impression.  
Designed specifically  
for churches.*

**TOUCH WHAT  
REALLY WORKS**

# HOW THIS HELPS YOUR CHURCH

## WHAT'S INCLUDED

- Interactive kiosk with two screens
- Technical support and equipment replacement if needed
- Custom church menu design (up to 7 sections)
- Mobile-friendly version of the information system
- Hosting and domain for the church information platform
- Weekly announcement updates using simple templates

**MONTHLY RENTAL: \$200**

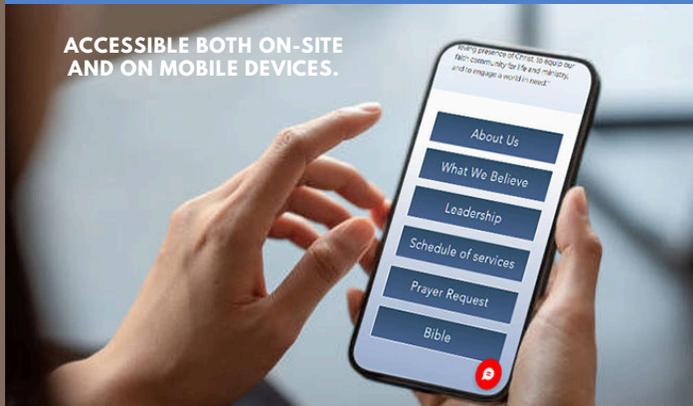

## THE SOLUTION

### AN INTERACTIVE INFORMATION KIOSK PLACED AT THE CHURCH ENTRANCE

A modern, simple system that helps members and visitors quickly find what they need.

### TWO SCREENS — ONE SYSTEM:

- Upper display for announcements, events, sermon topics, and celebrations
- Lower touch screen for interactive church information and prayer requests

**ACCESSIBLE BOTH ON-SITE AND ON MOBILE DEVICES.**

## HOW THIS HELPS YOUR CHURCH

- Provides clear, organized, and always up-to-date information
- Helps visitors feel welcome and stay informed
- Supports church communication without technical difficulties
- Presents the church in a thoughtful, modern style
- Allows church members to participate in community life through prayer requests and interactive content
- Enables online surveys and polls
- Reduces the pressure of making verbal announcements

*Built from inside the church, with ministry needs in mind.*
